BRIEF JOB DESCRIPTION: This position is located at Davis Monthan AFB, Tucson, AZ and Squadron Operations Center (SOC) with the 214th Reconnaissance Group, Arizona Air National Guard (ANG). The primary purpose of the position is to perform specialized intelligence duties as a Mission Intelligence Coordinator (MIC). A MIC provides real-time support to National Agencies, Joint Commands, Air Force Major Commands (MAJCOMs), Air Operations Centers, and US and coalition airborne assets in exercises and contingency operations. Intel personnel ensure real-time and near-real-time intelligence reporting and analysis is timely and accurate. The MIC serves as a MQ-1 (Predator) mission crewmember responsible for intelligence operations and production affecting time critical targeting, direct threat warning, battle damage assessment, combat identification, combat search and rescue, multi-INT correlation, threat analysis, mapping, intelligence preparation of the battle space, situation monitoring, and mission reporting. A MIC evaluates and interprets raw intelligence information received from all sources. Intel personnel conduct analysis activities and operations from data derived from manned, unmanned, and other operational assets in support of National Agencies, Joint Commands, Air Force MAJCOMs, and AOCs contingencies and exercises. A MIC participates in pre-mission conferences to outline mission objectives, potential threats, and possible outcomes. Individual prepares mission reports from analysis of target data for general intelligence and operational community consumption. A MIC prepares and evaluates finished reports relative to target actions, subject

to supervisory review. A MIC briefs analysis findings and estimates to superiors and mission planners. Individual works with other crewmembers to ensure the multi-INT exploitation section maintains a capability to provide timely and accurate operational intelligence support and fully trained intelligence personnel during peacetime and contingency operations. To enhance the ISR unit crew's mission readiness, the incumbent maintains a thorough knowledge of all aspects of internal multi-INT training. Plans and develops objectives and work schedules for mission and training assigned intelligence personnel performing Flying Missions, Unit Training Assemblies (UTA), Annual Training (AT), and unit deployments. Performs other duties as assigned.
